Sensaphone 400 & 800 Series

Features and Specifications

Inputs
Accept four different inputs – either temperature or a contact type sensor.

CONTACT SERIES

2.8K SERIES

Output
Use in conjunction with the dual setback thermostat to control the temperature between two set points. Or control a light, siren or other device.

Keypad
Makes programming simple and easy. LED lights give a quick visual status.

Power
Comes with a plug in power supply that also monitors for power failures.

Battery Backup
Rest easy knowing that even if the power goes out, the 400 will keep monitoring.

Speaker/Microphone
Record messages in your own voice, listen in from over the phone or be alerted if you're nearby when there is an alarm.

Phone Line
Call up to four different phone numbers when an alarm has been detected.
